In view of the strained financial position we will have to take a decision whether it is advisable to extend the P.A. Scheme to new areas now. I think this should be placed before Cabinet for decision

In the file relating to Community Projects dealt with by Development Dept., one of the six areas selected is in South Kanara. As such, H.C.M. desires that this proposal may be dropped even now and there does not seem to be any need for the matter to go before the Cabinet.-
